RE: Highland Mist Project

In Reply Please Refer to Case No. 04-0433

Dear Mr. Baker:

The Utah State Historic Preservation Office has reviewed our cultural resource files for the above requested project area. No known historic properties have been recorded within the project area because no historic properties' surveys have been conducted.

A survey of the area may identify historic properties, some of which may be eligible for the National Register of Historic Places. It is your responsibility to determine further actions, such as field surveys, to identify historic properties.

This information is provided on request to assist in identifying historic properties, as specified in §36CFR800 for Section 106 consultation procedures. If you have questions, please contact me at (801) 533-3555. My email address is: jdykman@utah.gov

As ever,

James L. Dykmann
Deputy State Historic
Preservation Officer - Archaeology
